

Background : Alexandra Community House was established and built in 2013 with the aim of providing a physical, central hub for local, regional and national Not for Profit groups and organisations. ACH provides a focal point in the community to nurture and sustain the wellbeing of people through arts, education and social services. Our vision is to foster a community that is welcoming to all, resilient, creative and unified. To maintain and achieve our vision we aim to:

- Provide sustainable, affordable and well -maintained office spaces and meeting rooms for social and community groups for the long-term benefit of our community.
- Provide a welcoming hub for community activities.
- Encourage collaboration and sharing of resources, skills and knowledge between services in order to promote a strong and connected community.
- Encourage respect and understanding of cultural diversity and the Treaty of Waitangi.

How you can Help: To help us continue to achieve our vision for our community, we invite you to consider supporting the House through one of the various options in our Partnership/Sponsorship plan outlined on the next page. Your support will have ongoing positive outcomes for our community by allowing the various and numerous social service and community groups to continue their work within our area for the benefit and well-being of everyone.

Our commitment to you for this support includes:

- All sponsors will be recognised on our Facebook and Web-site pages.
- All sponsors will be invited to any appreciation functions we hold.
- Tenants, Members, staff and Users will be encouraged to support local businesses.

Should you wish to support ACH in a manner different to our options please do not hesitate to contact us. We would be delighted to have the opportunity to work with you.
